

Bradford Doulas Equal Opportunities – Statement and Recruitment and Selection Policy

Bradford Doulas (the Organisation) aims to be an equal opportunity employer, and has a policy for this purpose.

This policy covers all aspects of employment, from vacancy advertising, selection recruitment and training to conditions of service and reasons for termination of employment.

To ensure that this policy is operating effectively (and for no other purpose) the company/etc. maintains records of employees' and applicants' racial origins, gender and disability.

Ongoing monitoring and regular analysis of such records provide the basis for appropriate action to eliminate unlawful direct and indirect discrimination and promote equality of opportunity.

The Bradford Doulas long term aim is that the composition of our workforce should reflect that of the community. Timetabled targets will be set for groups in the community that are identified as being underrepresented in the workforce. Where necessary, special steps, as permitted by the relevant Acts of Parliament, will be taken to help disadvantaged and/or underrepresented groups to compete for jobs on a genuine basis of equality.

The organisations EOP, and the measures to implement it, have been devised on the basis of advice from the relevant bodies as well as in consultation with appropriate union and/or employee representatives.

The Directors of Action for Communities Ltd are responsible for the effective strategic operation of the organisation's EOP.

A copy of the EOP is available from the Intranet or HR Office (Carlisle Business Centre).

The organisation will ensure active compliance with all relevant legislation including:

Equality Act 2010

Not unlawfully discriminate because of the Equality Act 2010 protected characteristics of:

- age
- disability
- gender reassignment
- marriage and civil partnership

Vacancy advertising

Wherever possible, all vacancies will be advertised simultaneously internally and externally.

Steps will be taken to ensure that knowledge of vacancies reaches underrepresented groups internally and externally.

Wherever possible, vacancies will be notified to job centres, careers offices, Schools, colleges, university, NHS and partner organisations in the 3rd sector with significant minority group rolls, as well as to minority press/media and organisations.

All vacancy advertisements will include an appropriate short statement on equal opportunity.

Selection and recruitment

Selection criteria (job description and employee specification) will be kept under constant review to ensure that they are justifiable on non-discriminatory grounds as being essential for the effective performance of the job.

Wherever possible, more than one person must be involved in the selection interview and recruitment process and all should have received training in equal

opportunities.

Wherever possible, women, minorities and disabled persons will be involved in the shortlisting and interviewing processes.

Reasons for selection and rejection of applicants for vacancies must be recorded.

Positive action - training, promotion and conditions of service

Underrepresented groups will be encouraged to apply for training and employment opportunities with the company. Wherever possible, advice will be provided for such groups to prepare them to compete on genuinely equal terms for jobs and promotion. However, actual recruitment to all jobs will be strictly on merit.

Wherever necessary, use will be made of lawful exemptions to recruit suitably qualified people to cater for the special needs of particular groups.

Wherever possible, efforts will be made to identify and remove unnecessary/unjustifiable barriers and provide appropriate facilities and conditions of service to meet the special needs of disadvantaged and/or underrepresented groups.

General

The objectives of this EOP are to:

Ensure that Bradford Doulas has access to the widest labour market and secures the best employees for its needs.

Ensure that no applicant or employee receives less favourable treatment, and that, wherever possible, they are given the help they need to attain their full potential to the benefit of the company/etc. and themselves.

Achieve an ability-based workforce which is in line with the working population mix in the relevant labour market areas.

The cooperation of all employees is essential for the success of this policy. However, ultimate responsibility for achieving the policy's objectives, and for ensuring compliance with the relevant Acts of Parliament as well as the various Codes of Practice, lies with the Company.

Behaviour or actions against the spirit and/or the letter of the laws on which this policy is based will be considered serious disciplinary matters, and may, in some cases, lead to dismissal.

Signed
